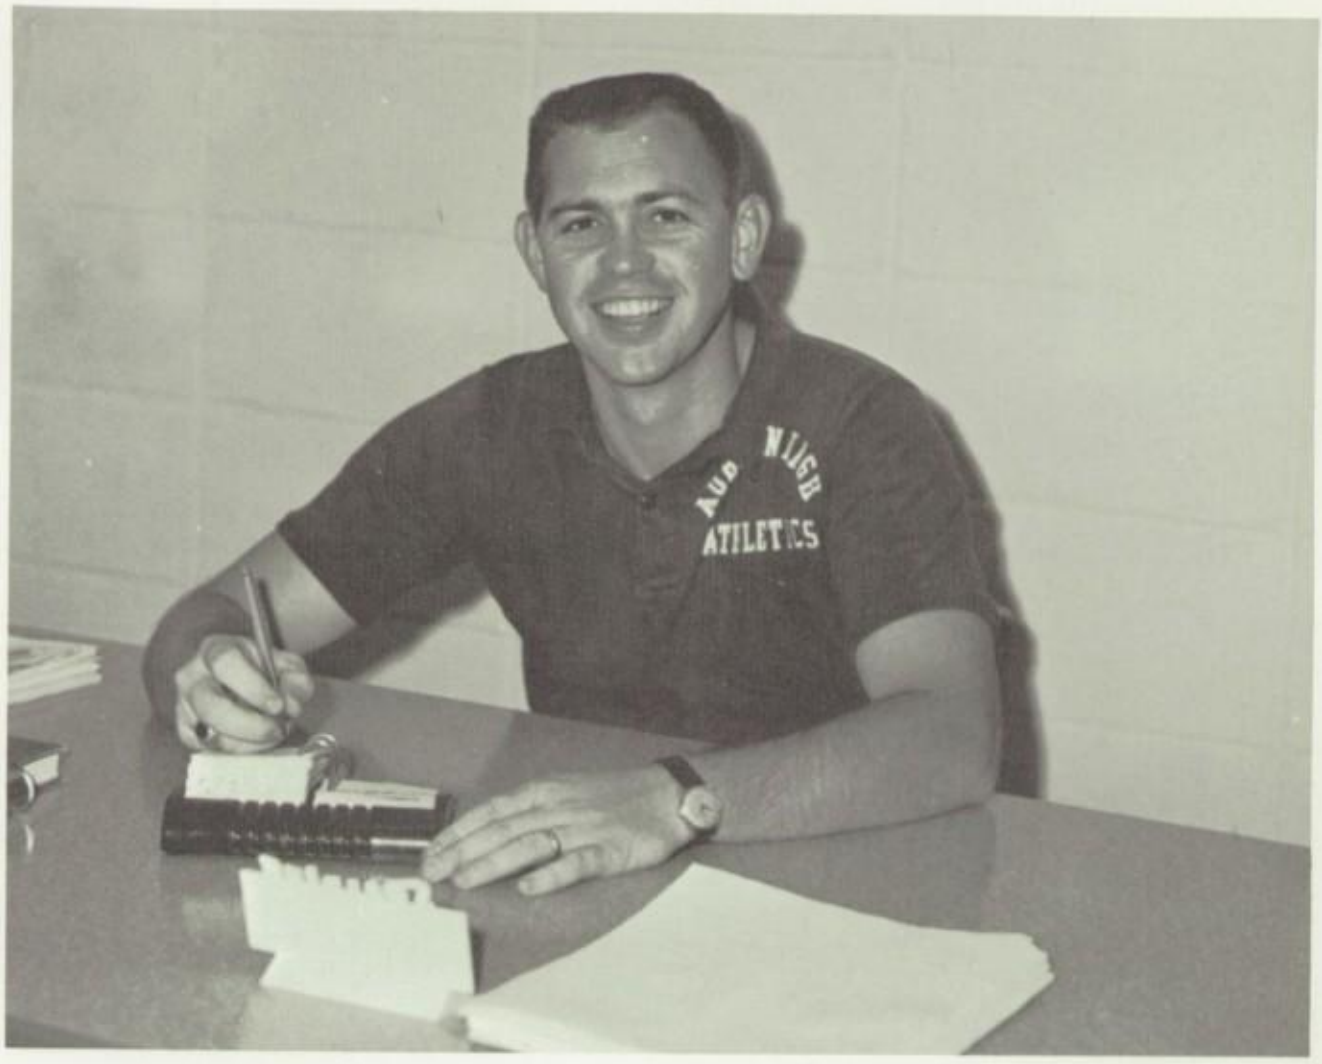
COACH WAYNE MURPHY



DEDICATION

Through his sincere interest and personal initiative, he has been able to initiate, develope, and train, in three short years, a track team second to none in the state. If it can be said that anyone goes above the call of duty, this man has done it many times. He has given of his all in furtherance of athletics and community affairs. For these reasons, we the Annual Staff, proudly dedicate the "67 Tiger" to Coach Wayne Murphy.

The Annual Staff expresses appreciation to the faculty, administration, students, and merchants for their cooperation and support. Our thanks to Jenny Cain, Billy Poucher, Sidney Cook, and Sherman Phillips for their special work in producing the '67 Tiger.

PRESENTING 1966-67 FEATURES . . . .

MISS AUBURN HIGH

Miss Sue Hoerlein was chosen by the student body this fall for the honor of being Miss Auburn High for 1967. Sue has been an active member of Auburn High for many years. In the eighth and ninth grades she was a cheerleader. She has been a candidate for Halloween Queen, Miss Homecoming, and Key Club Sweetheart. Sue has also been chosen beauty candidate for the past three years. She has served as flag bearer, majorette, and head majorette for the AHS band. The Senior class selected her for Who's Who. Not only has she received honors for her beauty, but also for her standing as a student since she is a member of the National Honor Society. Sue is truely a good choice for Miss Auburn High.

The Student Council serves the students of AHS by coordinating and directing student activities, promoting school spirit, and providing services to the school.

This year the Student Council helped sponsor our first foreign-exchange student, Magarita Saez of Chile. The Council sold Christmas cards and held rummage sales to raise a total of $205 for her scholarship fund.

Until the cafeteria opened, operation of the "Greasy Spoon" was another project of the Council. Council members took orders and provided the students with milk, ice cream, and snacks to supplement their lunches.

Maigo gives representatives the "Greasy Spoon" order.

"Baby Boomer" and shakers at the Opelika game.

The Student Council has done much to promote school spirit and pride. The Council financed the AHS cannon, sold football pep stickers, and planned the pep rally after the Homecoming parade. For the Auburn-Opelika football game, the Student Council sold cowbells and gave out blue and white shakers.

During October, Wick Warren, Magarita Saez, Susan Edwards, and Bill High represented AHS as delegates to the Southern Association of Student Councils convention in Georgetown, South Carolina.

The Student Council served as Secretary-Host of the Alabama Association of Student Councils this year. A major project of the year was the state convention held at our school in April. Wick Warren represented our Student Council in this office.

INTERCLUB COUNCIL

OFFICERS

PRESIDENT.....Bill High
VICE-PRESIDENT.....Steve Funchess
SECRETARY-TREASURER ..... Joani Ziegler

Interclub Council is composed of the president and sponsor of each club at Auburn High School. Together they work to foster better relations among the organizations of AHS in order that they may contribute to the welfare of the school. It gives the clubs the benefit of group thinking on matters of importance, and advises the clubs concerning their problems.

HONOR SOCIETY

OFFICERS

PRESIDENT.....Steve Funchess
VICE-PRESIDENT.....Claire Marty
SECRETARY.....Anna Belle Blake
TREASURER.....Bill Poucher

Membership in National Honor Society is one of the highest honors offered to a student. The members are selected by the faculty on the basis of outstanding leadership, scholarship, character, and service. This year Honor Society has served in the capacity of Secretary-Treasurer of the state organization. It has also performed it's regular duties of helping with Career Day and preparing the six-weeks and semester honor rolls.

Quill and Scroll is an honorary composed of outstanding members of the annual staff and of the newspaper staff. This year it published the first Auburn High School Literary Magazine. They hope that this project will continue to encourage the literary efforts of the students by providing them with the opportunity to see their work in print.

FTA

The purpose of the Future Teachers of America is to prepare and guide high school students toward their chosen career in education. Through informative programs at meetings and service opportunities related to education, the FTA member is offered a foundation for his continued study in college. Members serve as aids to teachers by grading papers, keeping classes, and working in the library and the office. FTA also sponsors Student Participation Day and the observance of American Education Week, in addition to cooperating with Auburn University in a student visitation program. Deserving special credit are members Dottie Sherling and Jenny Cain who were elected to the respective district offices of parliamentarian and president.

Tiger Tales, the monthly newspaper of Auburn High School, entertains and informs students with news articles, interesting features, and editorials. Members learn to write, edit, and manage a high school newspaper. Last year the paper received a Certificate of Excellency from the Alabama High School Press Association.

The Key Club is a Kiwanis-sponsored organization composed of high school boys in the tenth through twelfth grades. Members of the Key Club must be outstanding in their class and maintain at least a "B" average.

Winner of the Most Outstanding Club of 1965 and 1966, Key Club continues to live up to this tradition. Service plays a major part in the activities of this club. Members also have the opportunity to learn about various businesses and professions. The purpose of the Key Club can best be summed up by its motto, "We Build."

Some of the club's projects have been: moving of desks into the new school, sending representatives to all Kiwanis meetings to improve relations, parking cars at university football games, and holding an annual car wash.

Captain

After attending A. C. A. clinic in Leesburg, Fla., we felt that we were ready for action at the new school. Ground stunts, trampoline stunts, and new cheers were learned.

Buses were chartered to out-of-town ball games and track meets. We advertised each game with pep rallies, banners, tags, and posters, and decorated the football field and gym for home games. The cheerleaders would like to thank the student body for making this a great year of tremendous spirit at Auburn High School.

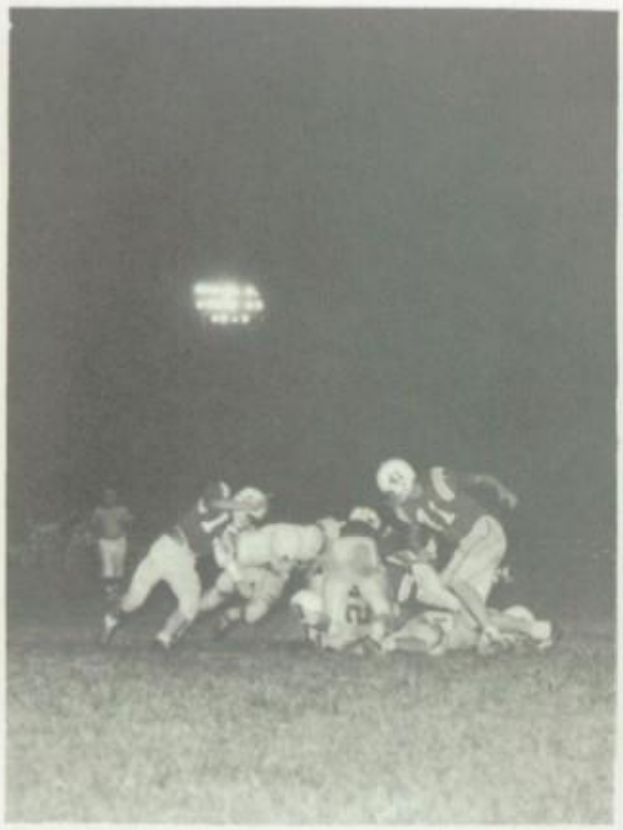
FOOT



AUBURN vs TALLASSEE - September 9

The Baby Tigers opened the season as they battled the Tallassee Tigers to a 7-7 draw. Tallassee drew first blood on a 43-yard scoring drive in the first period. Quarterback Steve Golden made the tally on a seven-yard sprint and Braxton Hornsby added the extra point. AHS came back in the second quarter to knot the score on a two-yard run by Grady Jones and the conversion by Jerry Stearns.

AUBURN vs HARDAWAY - September 16

AHS claimed its first victory of the season with a 14-0 shutout win over the Hardaway Hawks of Columbus, Ga. The first half of play was a rugged defensive battle as the two teams combined for only three first downs. An eight-yard pass from Ronnie Reid to Danny Jones broke the ice in the third quarter. Later, after a poor Hawk punt, Sentell O'Mary blasted over from the four giving Auburn its winning margin.

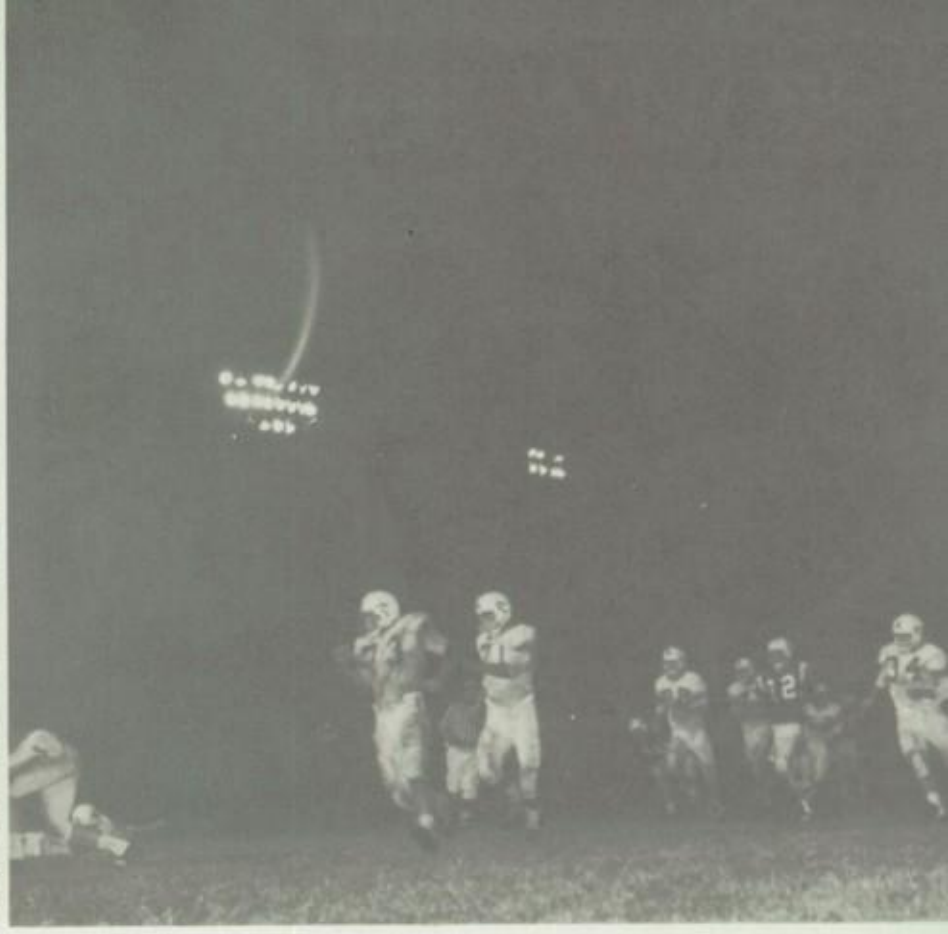
AUBURN vs DADEVILLE - September 23

Auburn suffered its first defeat against Dadeville as celebrated quarterback Buddy Seay lead the Tigers to a 13-0 triumph. The first half was dominated by the Auburn running game as the Auburn Tigers rolled up 124 yards but failed to mark up a score. Seay set up the first TD on a 51-yard dash to the five and then scored from the two. A pass from Seay to Davis Caldwell in the final period netted the other Dadeville touchdown.



AUBURN vs ROANOKE - September 30

AHS went down in defeat against the Roanoke Tigers 7-0 in a rugged defensive battle. The game's lone score came early as Roanoke took the opening kick-off and marched to pay dirt. Fullback Bill Ragle made the touchdown from three yards out. Wayne Segrest thrilled the fans with two 40-yard kick-off returns.

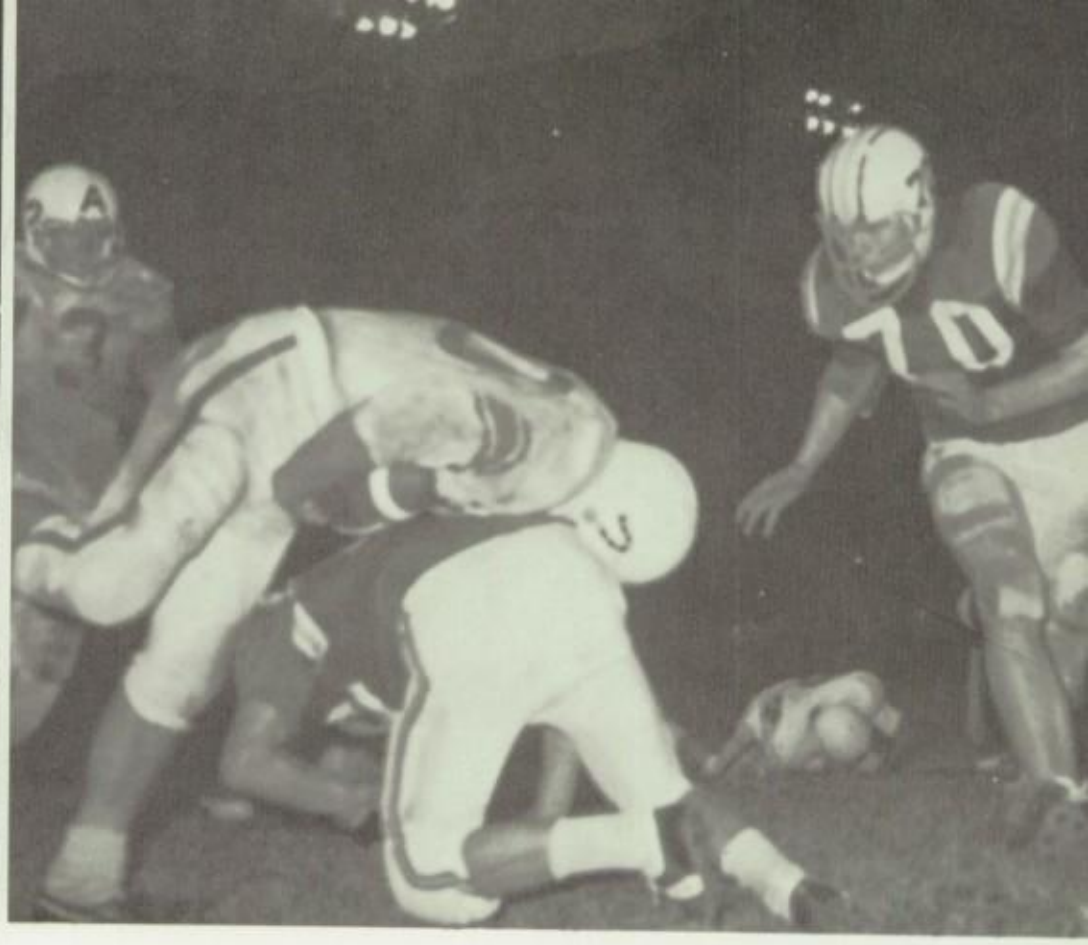
AUBURN vs UNION SPRINGS - October 7

The Baby Tigers put on their best offensive show of the season as they whipped Union Springs 19-13. O'Mary had a banner night as he rolled up 176 yards on the ground and accounted for three touchdowns on runs of 3, 32, and 10 yards. Auburn on the whole wound up with almost 400 yards total offense as the team posted its second victory.



AUBURN vs PRATTVILLE - October 14

A last-minute touchdown by Chase Riddle spelled defeat for AHS as the Prattville Lions took a 7-6 victory. Jerry Stearn's accounted for all the Tiger points as the senior tackle made good on field-goal efforts of 35 and 25 yards. Prattville pulled the game out with 1:24 left on Riddle's three-yard burst. Steve Taylor's PAT provided the winning margin.

AUBURN vs LANETT - October 21

Again a last minute TD proved fatal as the Panthers spoiled AHS's homecoming. The Baby Tigers fought to a 13-7 half time lead as two touchdowns by Danny Jones put Auburn ahead. However two goal line stands in the final period proved worthless as an 11-yard touchdown pass from Charles Estes to Billy Wayne Kelton was followed by Chubby Nichols winning PAT.

AUBURN vs VALLEY - October 28

The running of Valley's Mark Meadows proved too much for the Baby Tigers to contain as the Rams reeled off a 19-0 victory. Meadows, a junior All-State halfback, gained 234 yards rushing as he set up two touchdowns and scored one himself. In this game Auburn standouts Stearns and Ernie Cope were injured and missed the final two games.

AUBURN vs LAFAYETTE - November 4

A last-second field goal try by LaFayette's Kenneth Barber sailed over the cross bar to change a 7-6 Auburn lead into a 9-7 setup. A 10-yard TD run by O'Mary and Billy Thurston's extra point gave Auburn what seemed like a solid 7-0 lead before David Mickle's blast to paydirt made the score 7-6. LaFayette's last ditch effort proved enough as Barber's 28-yard boot was true.

AUBURN vs OPELIKA - November 15

In a game previously postponed because of rain AHS fell to arch-rival Opelika 21-7. The Bulldog's hardrunning fullback Sam Spates gained 155 rushing and scored the three touchdowns in leading Opelika to its third straight victory thus retiring the Opelika Daily News trophy. O'Mary accounted for the lone Tiger score on a two-yard buck up the middle.

The Junior Varsity Cheerleaders have cheered for Junior Varsity and B Team football and basketball games this year. From LEFT TO RIGHT: Micky Flourney; Jan Andrews; Mary Bentley, captain; Jane Jeffers, and Brenda Knapp.

Gym managers were elected by the P. E. teacher, Mrs. Tipton, from a list of girls who were interested on the basis of their grades, leadership, and attitude. The gym managers duties are to assist the P. E. teacher in any way possible and to set a good example for the other students. CROSS COUNTRY

This year's Cross Country team had a very successful season with six victories and only two loses. To top-off their impressive record the team captured first place honors in the state Cross Country meet with all six of A. H. S. 's runners finishing in the top twenty. To contrast with this years success, last year's team (Auburn's first) did not win a single meet. Next year's team should do as well as this year's since all runners except one will be returning. Coach Wayne Murphy's runners claimed wins over Columbus (twice), Troup County (twice), and Lee of Montgomery (twice) while absorbing two defeats to Lanier. Auburn also competed in the Calloway Garden's Meet and the Troy Invitational Meet taking third in this meet.

FACULTY

ADMINISTRATION

Coach Sam Welborn-Guidance Counselor; Coach Jim Douglas-Assistant Principal, Biology; Mr. J. L. Lovvorn-Principal.

These three men do a lot of the work around Auburn High School. All of the students owe them much appreciation for their time and effort which has made the new school a success.

Mr. E. E. Gaither-Superintendent of Auburn City Schools.

He works in conjunction with the Board of Education to help Auburn attain this excellent new school.

Mrs. Nellie Blackwell-Secretary

She runs the office with perfect efficiency and knows almost everyone in the high school.

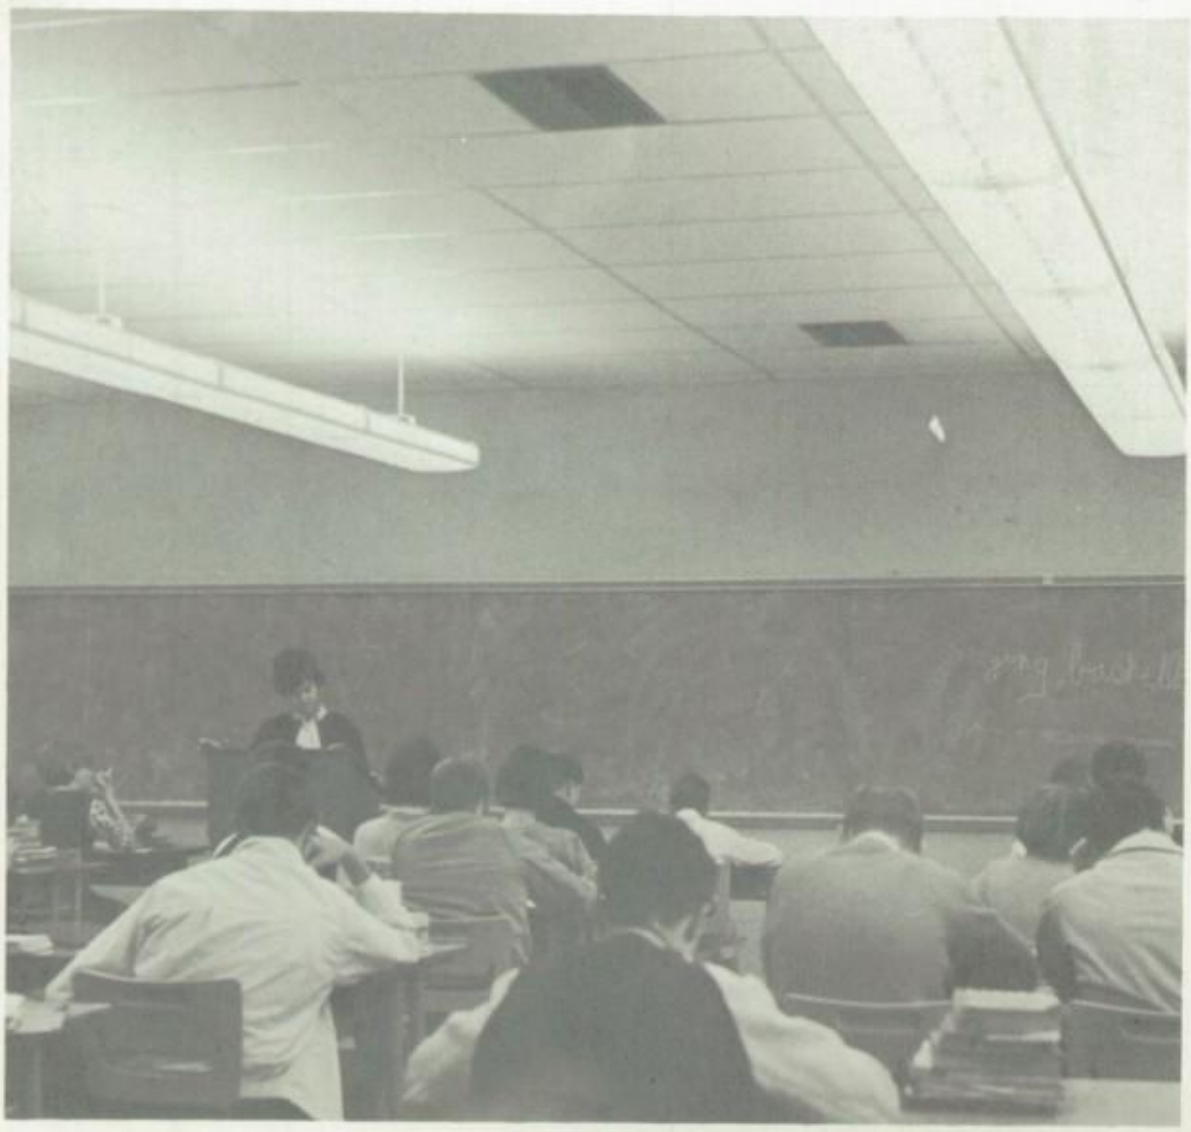
MATH

Mrs. Sara Jo Jackson-Algebra I, Physical Science; Mr. Alvin Bigger-Algebra I and II, Geometry; Mrs. Eleanor Allison-Algebra I and II, Senior Math; Mrs. Virginia Haggard-General Math, Business Math and Law.

The Math Department teaches a wide variety of subjects to prepare students for any future. General Math, Business Math and Law are offered in the vocational curriculum. These are useful for students interested in going into business instead of college. Algebra I and II, Geometry, and Senior Math are the college preparatory courses. These are offered in an accelerated program now beginning in grammar school. When this program is finished the students can enter college calculus. This year a Senior Math series should take the student beyond calculus. Regular courses prepare students for basic college math. Auburn University has quite an influence on Auburn High School, especially in the emphasis on math. A college course in computers is offered to high school students with an apptitude for math.

ENGLISH

Mrs. Mary Eleanor Mockridge-Sr. English; Mrs. Virginia Taylor-Freshman English; Mrs. Sandra Izquierdo-Freshman and Sophomore English; Mrs. Mary Lou Windham-Jr. English, Speech and Drama; Mrs. Bessie Phillips-Sophomore English.



Everybody takes English every year (and some more than that). As we are often told, English relates to everything else. One can't be good in his field if he can't express himself clearly with good grammar. Each class has a vocabulary book, a grammar study, four novels, and a literature book. American literature is studied in Junior English and English literature is studied the Senior year. Included in the English Department is an interesting course in speech and drama.

HISTORY

Coach Sentell Harper-Government and Economics, P. E.; Mrs. Willis-World History, Alabama History and Civics, Jr. English; Coach Bobby Brown-Alabama History and Civics; Mrs. Inez Edwards-American History, Alabama History and Civics.

The History Department has three required courses: Civics and Alabama History, American History, and Government and Economics. These are state requirements and are the only required courses besides English and P. E. in the school system. World History is also included in the department as an elective. These courses are intended to make students well informed citizens.

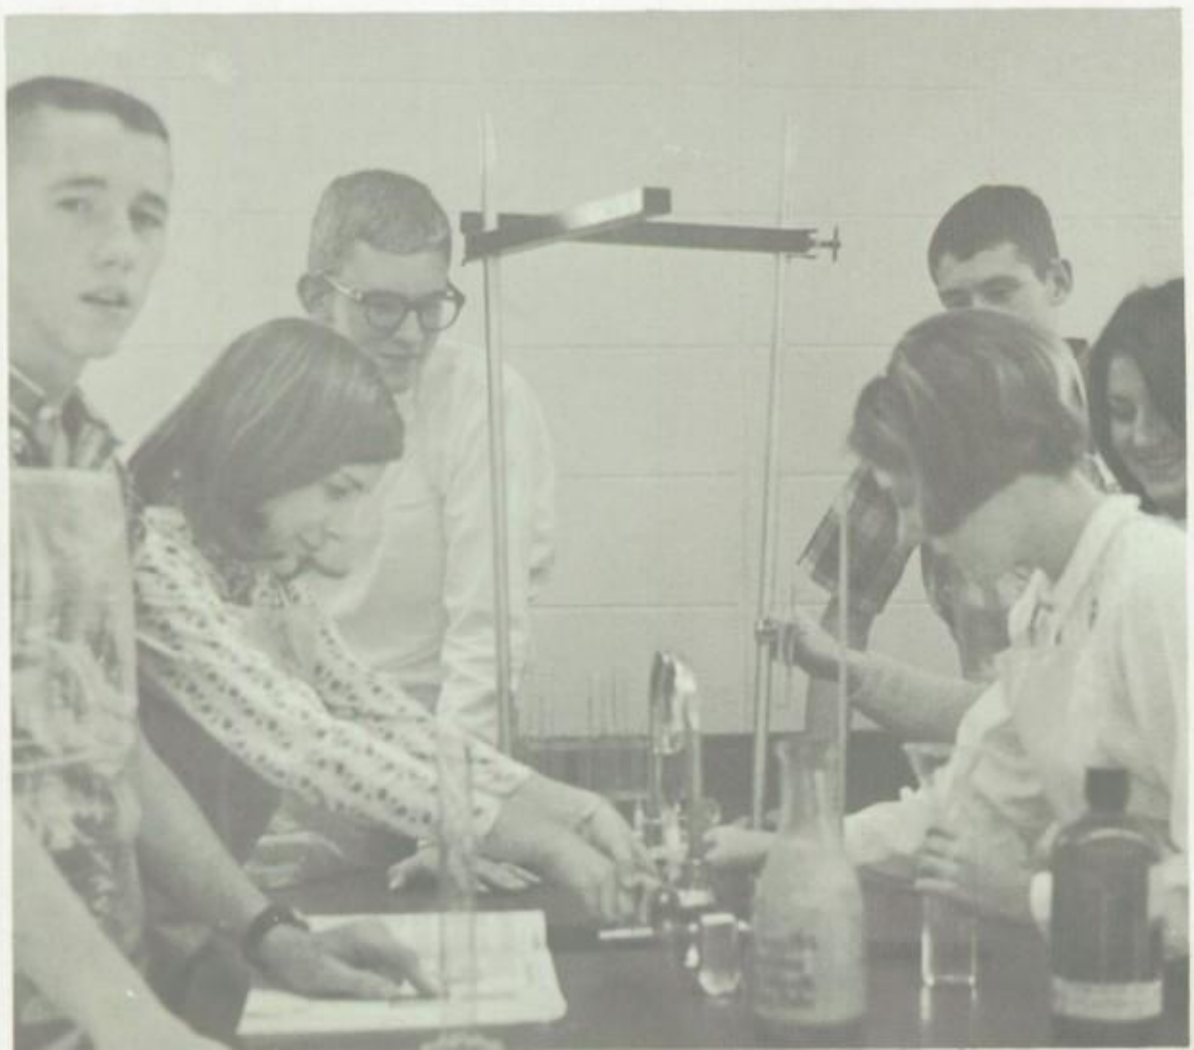
LIBRARY

The library is an important facility for every part of the school. It is particularly important to history and English students. This year's library has expanded room and more books. It served several temporary uses such as band and chorus room. The library uses student helpers.

Mrs. Gholston-Librarian

SCIENCE

Mrs. Mary Ellen Deese-Chemistry; Mrs. Sara Weaver-Biology, Geometry; Mrs. Carolyn Young-Biology, Physical Science; Colonel McInnis-Physics, Senior Math.



Auburn High has an advanced scientific program of courses from basic science to difficult courses usually taken only by those who will need them in college. In spite of obstacles this year, the classes have progressed well.

Physical Science offers a basic introduction in chemistry and "how a car runs". It is an elective usually taken in the ninth grade. Biology opens up the world of nature-plants, animals, and humans. Chemistry is generally taken in the eleventh grade and Physics in the twelfth grade.

LANGUAGE

Auburn High School has a new language program this year. Beginning with French and Spanish I, the lessons are taught by the use of films and tapes. Electronic headphones are used for better hearing and to enable the student to hear himself. In this program more emphasis is put on oral work than has been previously. The student should take all three years of the language to be prepared for a college course. There may be a French IV class in the near future. Spanish III was new this year, but it may be extended to four years also. Foreign Language students also have an opportunity to learn something about the country whose language they are learning. There are fringe benefits such as the French and Spanish caroling at Christmas.

Mrs. Charlotte Ottis-French I-III; Mrs. Elizabeth Bekus-Spanish I-III.

BUSINESS

The Business Department includes Typing I and II, Shorthand I and Bookkeeping. This year they have expanded their facilities and now have a small room in which they will have business machines such as calculators. Students learn basic skills of the business world. At the end of each year awards are presented for excellence in typing and shorthand which can help students obtain jobs. These awards are based on tests given to measure the number of words typed or taken correctly in a certain length of time. Shorthand is very useful for taking notes in classes. The bookkeeping class works on adding machines and learns the basic steps in keeping business records.

Mrs. Mary Stephens-Typing I and II, Shorthand I; Mrs. Duane McCallan-Typing I, Bookkeeping, Freshman English.

VOCATIONAL

Vocational Agriculture and Home Economics have unlimited possibilities in their new surroundings this year.

The Home Ec Department has a large sewing room, a living room, and a modern kitchen. Home Ec offers units in Art and Child Care as well as in the basic sewing and cooking skills.

The Auburn Vocational Ag program puts more emphasis on mechanical skills than agricultural. Every boy in class has a project. This can now be a job using vocational training instead of a home project. Mr. Killough helps to place the boys in suitable jobs.

These vocational courses are supported cooperatively by the federal and state governments under the Smith-Hughes Act. The teachers do much work out of the classroom to fill the individual need of each boy or girl.

Miss Naomia Wilson-Home Economics I-III; Mr. Frank Killough-Vocational Agriculture I-IV.

PHYSICAL EDUCATION

The P. E. courses had a very flexible program this year because there was no equipment and the gym was incomplete until later in the year. The boys played outdoors and helped to ready the grounds. The girls hoped to begin team sports and tumbling second semester. The new gym will be divided during classes but opened lengthwise for basketball games with stands on the sides. P. E. is closely related to the competitive sports program. The boys who participate in atheletics have P. E. sixth period. The cheerleaders work hard on their formations and cheers this period.

Mrs. Nancy Tipton-Girls Physical Education; Coach Wayne Murphy-Boys Physical Education.

ART

Mr. John Anderson-Art I, II, III, Mechanical Drawing. The Art Department has been very active this year with the organization of an Art Guild to take field trips.

MUSIC

Mr. Joe Davis-Mixed Chorus and Girls' Chorus.
Mr. Tommy Goff-"A" Band, "B" Band, Music Theory.

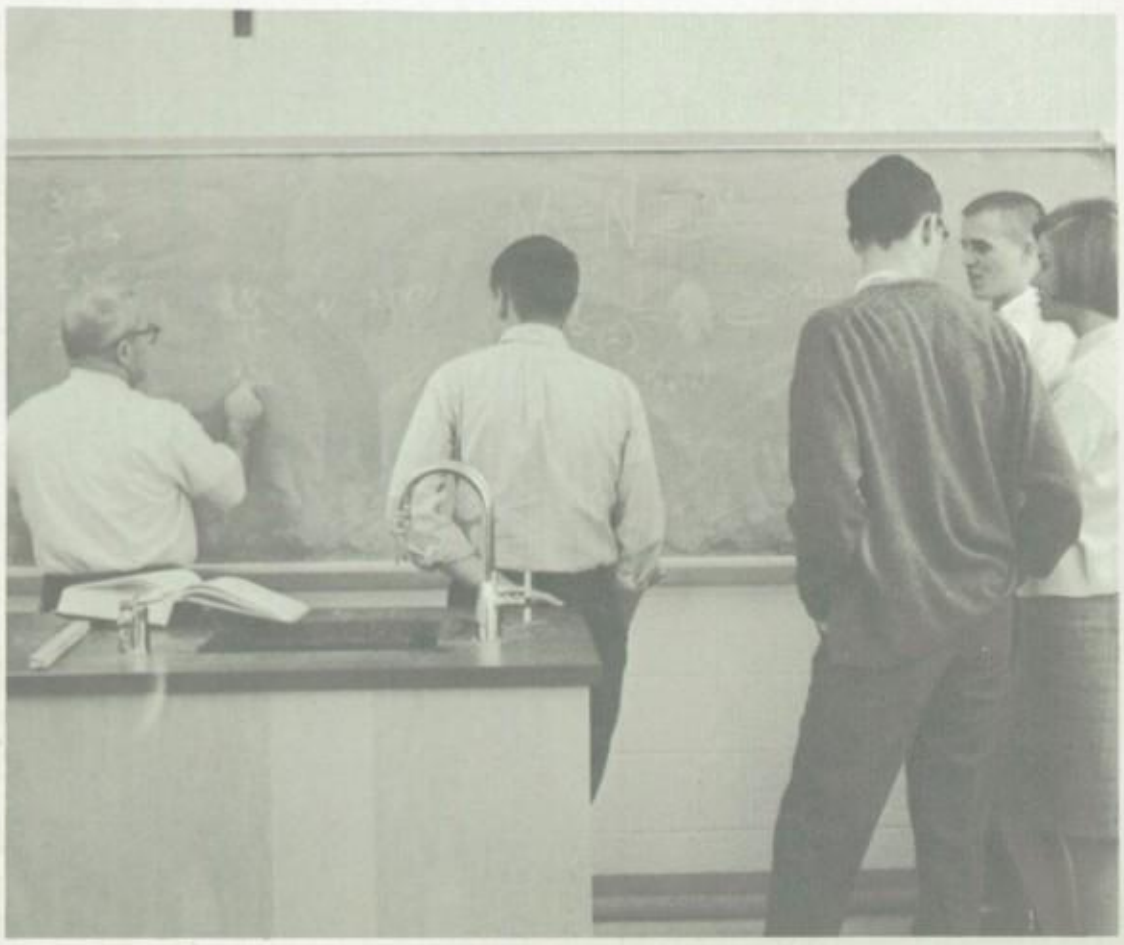
DRIVERS' EDUCATION

Lt. Dale Howard-Drivers' Education

Officer Lamar Sellers-Drivers' Education

The Drivers' Education course was started several years ago at Auburn High by the Auburn Police Department. Students are taught the fundamentals of good driving and drilled in safe driving practices.

Teachers enjoy an informal side as well as their classroom manner. The teachers' lounge is a refuge from the student world. The teachers all had their one big wild night at the G. A. A. student-faculty volleyball game, which they won. The cheerleaders, players, Coach Young, and Umpire McInnis presented quite a contrast to our customarily reserved faculty.



SENIORS '67

CLASS of '67

Class Officers: President, John White — V-President, Steve Crouch
Secretary, Cynthia Schell — Treasurer, Anna Belle Blake

As the class of '67 we have heard and answered the challenge to become the best graduating class of Auburn High School. We have been inspired by our new opportunities, and in turn, hope we have left a high standard for those who follow. We have acquired a feeling of togetherness, a class spirit and sense of responsibility that no preceding class has known. We have tried to set a good example for underclassmen, yet have not boasted our superiority!

Through originality and hard work as a class and as individuals, we have received nearly every honor offered by our school. We enthusiastically supported our teams and band hoping that other classes will continue to do so. In years to come we will all cherish memories of Auburn High School, old and new.

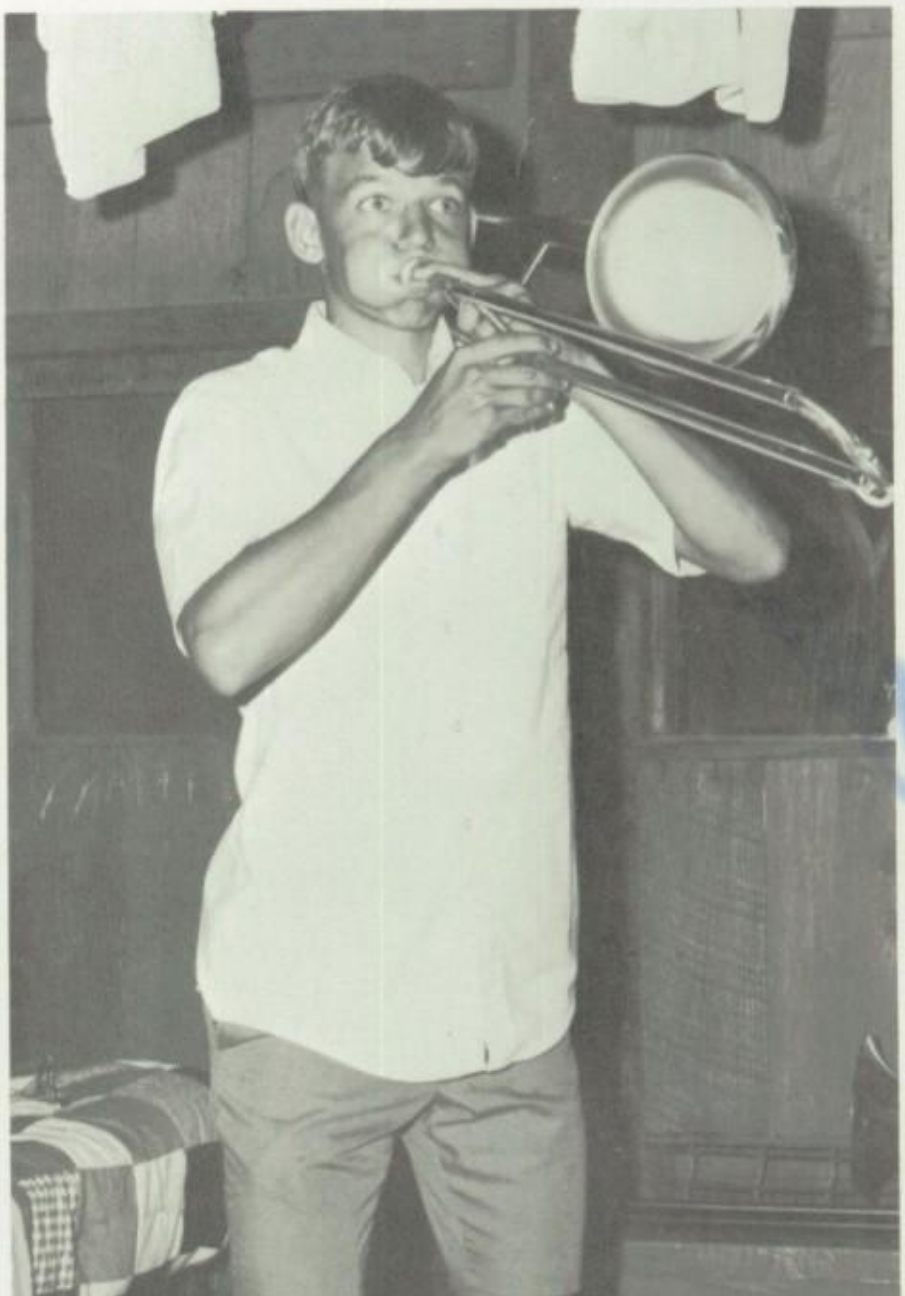
SENIOR SNAPSHOTS

Would you believe they just came from Paris?



Blowing bubbles?

Homecoming Parade '67.

Yes, you fool, it's quicksand.

What Happened to the water?

Tense excitement; a Senior Party Characteristic.

It says, "Kick me."

Now, you'll!

UNDERCLASSMEN

CLASS OF '68

Class Officers: President: Kyle Johnson, Vice-President: Scotty Lett, Secretary: Marsha Prather, Treasurer: Steve Benson.

This year's Junior class sold over $4,500 worth of magazines in October. The money made from the magazine sales will be used for the Junior-Senior prom and banquet to be held in May. It is the responsibility of the Junior Class to decorate, provide intertainment, and refreshments for the formal event.

The Juniors are very active in clubs, all sports, and as cheerleaders. The 1966 Homecoming Queen is a member of the Junior Class. The Student Council sent two Junior class members of the council to the annual Student Council Convention held in Georgetown, South Carolina.

Just a few honors held by Junior class members are drum major and majorettes in the band, Second Vice President and Treasurer of the Student Council and Assistant Business Manager and Assistant Editor of the Annual Staff, and Business Manager of Tiger Tales.

CLASS OF '69

OFFICERS

PRESIDENT.....Jack Ham
VICE-PRESIDENT.....Jean Howard
SECRETARY.....Barbara Mann
TREASURER.....Doug Vestal

We, the sophmore class, strived hard to make this first year at the new Auburn High School a memorable one. We tackled the task of building a homecoming float with high spirits and energy. Our hard work resulted in a first rate float which was surpassed only by the seniors.

It is the responsibility of the sophmore class to build the Opelika bulldog for the "Burn the Bulldog" pep rally. We produced a superior bulldog which we feel is the best that AHS has ever seen.

The great spirit and enthusiasm shown by the Class of '69 has made this the best year that we have had.

AUTOGRAPHS:

Diane,
It's been great so far this year at Auburn & you're one of the people who made me feel welcome! Thanks for being so nice to me, you're one of the greatest girls I know. Just keep your great personality all through your life & you'll get along fine. I hope we can become better friends as we get to know each other more. I hope we see lots of each other this summer!

Love ya!
Renee

Diane,
It's been fun flunking geometry together this year. I wish we could flunk Algebra II together. Think about me next year!

Love
Cindy

Diane - I have enjoyed being with you in homeroom. (When you make it to school! I hope next year you make it leader try outs?

Meta

Diane,
It's been great knowing you this year and having biology with you. I hope you have good luck in everything you do

Winnie

Diane,
It has been a great pleasure knowing you all these years! I hope ~~is happy~~ next year brings happiness to you. Best of luck in the future!

Diane —
I am really glad
we had Geometry together
this year for we've had
some fun! You are a great
person and I am so glad
I got to know you. Please
never change Diane, for with
your sweet personality you will
go far in life. And I only wish
you the best. Good luck next year
and see you this summer. Maybe
we can double-date again sometime.
